

Height-Adjustable Thought Starters

Worksurface Series 5 | Space Division Post & Beam  
Storage Duo®, Details Worktools | Seating Siento™

- Today's approach to ergonomics is not about static postures, but about movement throughout the day. Height-AdjustTable worksurfaces give users control, help support collaboration and promote healthy workstyles. The 120° worksurface creates a "cockpit" effect to assure all resources are within reach.
- Post and Beam provides structure and Scrims create transparent boundaries.
- Privacy/Modesty Screens help address visual distractions and the Cableway tucks away technology in an accessible "pocket."
- Duo storage provides easy access to often used items.
- Slatwall supports a variety of worktools and frees up space on the worksurface.
- Dual FYI™ monitor arms support healthy postures and make it easy to share what's on screen with others.
- Personal task lighting is an energy efficient way to help address the issue of eyestrain by letting users position light to the task at hand.
