

## 26" Keyboard Platform

Every body is unique. That's why it is important to align the keyboard properly. The Details 26" keyboard platform mounts to both Stella and Lift & Lock keyboard mechanisms. And because the ways people work is unique too, the platform is configurable to meet individual needs: large platform supports both keyboard and mouse; 19" or 26" gel foam palm rests for full or partial-width support; and, integrated retaining grips keep the mouse from sliding off when positioned at an angle.
