

# Cableway

## Customer Needs:

Effectively manage the tangle of cables, cords and wires in an out-of-sight yet accessible "pocket."

## Product Features

Style Numbers <i>(ships with Horizontal Mounting Brackets)</i>	Style Numbers* <i>(ships with Universal Clamps)</i>	Size	Weight
AHORZ25	AC25	W25 x H8 x D2-1/2	7.75 lbs.
AHORZ31	AC31	W31 x H8 x D2-1/2	8.50 lbs.
AHORZ37	AC37	W37 x H8 x D2-1/2	9.50 lbs.
AHORZ43	AC43	W43 x H8 x D2-1/2	10.50 lbs.
AHORZ49	AC49	W49 x H8 x D2-1/2	11.50 lbs.
AHORZ55	AC55	W55 x H8 x D2-1/2	14.50 lbs.
AHORZ61	AC61	W61 x H8 x D2-1/2	15.25 lbs.

\* Can be used in combination with Privacy and Modesty Screens (order appropriate assembly)

- Color: Black or Platinum
- Construction:
  - Cableway: Powder-coated sheet steel. Polypropylene grommets for smooth cable movement
  - Universal Clamp: Die cast aluminum with powder coat paint
  - Horizontal Mounting Bracket: Extruded aluminum with power coat paint
- Application: Mounts to a worksurface or tabletop
- Warranty: 10 years
- Positions top of Cableway 1/4" above worksurface, this is a fixed height
- Gap between worksurface and Cableway is 1" to allow for cable feed through
- Clamps and Brackets are inset 2-1/2" from both sides of the Cableway. When mounting a Cableway in combination with SlatRail Stanchions the SlatRail width that is 1" shorter than the Cableway will **not** work due to the clamp locations
- Three clamps or brackets ship with 55" and 61" Cableways for additional support
- Cableways can be under worksurface mounted or desk-clamped; ships with Horizontal Mounting Brackets or Universal Clamps (order appropriate assembly)
- Universal Clamps clamp on worksurfaces 1" to 2" thick
- Universal Clamps use a 2" footprint above and below the worksurface
- Rubber feet under Universal Clamps ensure a tight fit without marring worksurface
- Horizontal Brackets screws to underside of worksurface and require 2" of under worksurface clearance
