

Eyesite™ Single Laptop Support

Take your laptop to a new level.

Eyesite Single Laptop Support takes working on a laptop to new heights. When used with an external keyboard and mouse, this solution increases ergonomic comfort by enabling workers to easily adjust laptop-monitor position and frees critical worksurface space in the active zone.

Eyesite Single Laptop Support

- Application: active
- Supports a wide range of laptops
- Functional focal length: 16"
- Vertical adjustment: 7½" Standard or 12½" Extended column
- Pan: 175°
- On-center mounting
- Adjustable laptop support provides concealed cord/power supply and 3 position screen adjustability
- Not recommended for use with docking station
- Use of external keyboard and mouse strongly recommended
