

Galilei™ Mini & Passive Laptop Shelves

Installation Instructions 001810 Rev C

KMINI

KLPS

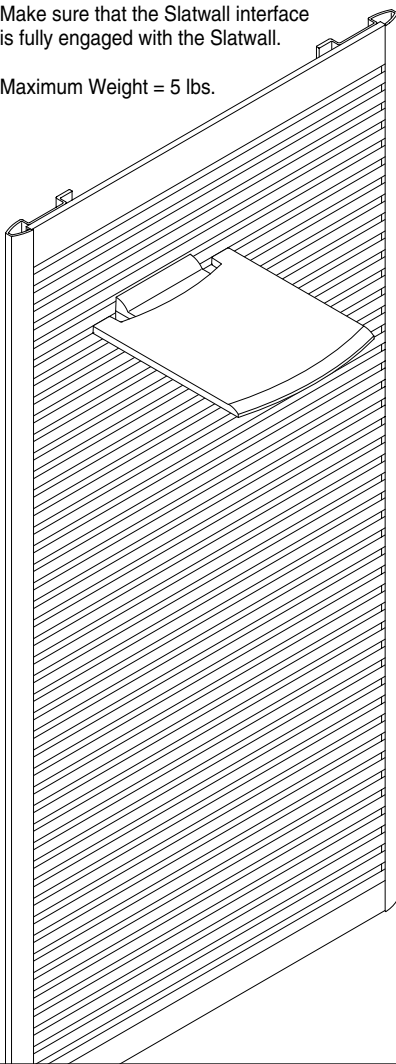

Mini Shelf

Select a spot on the Slatwall to mount the Mini Shelf.

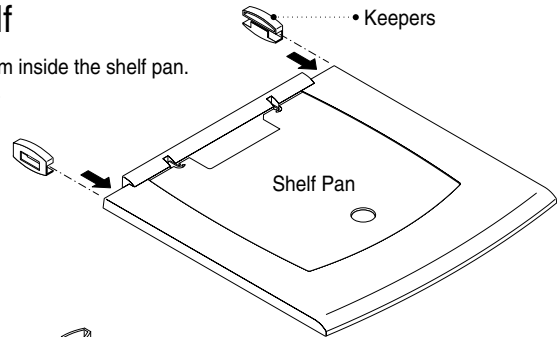

Make sure that the Slatwall interface is fully engaged with the Slatwall.

Maximum Weight = 5 lbs.

Passive Laptop Shelf

Remove the two sliding keepers from inside the shelf pan. Slide keepers into grooves on shelf.

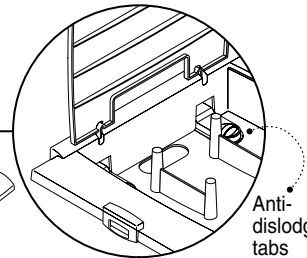

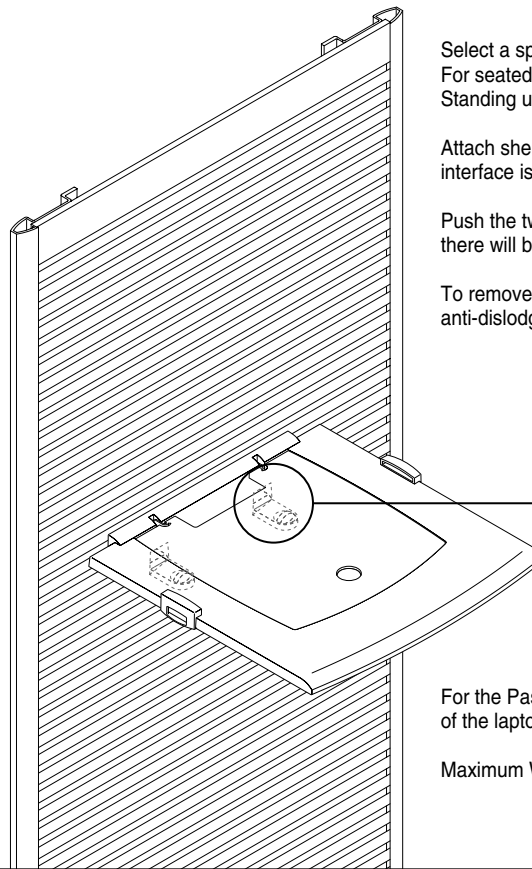

Select a spot on the Slatwall to mount the shelf. For seated use, mount at worksurface height (~29"). Standing use will depend on height of the user.

Attach shelf to Slatwall. Make sure that the Slatwall interface is fully engaged with the Slatwall.

Push the two anti-dislodgement tabs into Slatwall, there will be a "click" when engaged.

To remove the shelf, pull towards you on the two anti-dislodgement tabs.

For the Passive Shelf over a worksurface, the top of the laptop screen should be just below eye level.

Maximum Weight = 20 lbs.
