

# Power Pincher™ with Occupancy Sensor

- Energy-saving occupancy sensor turns equipment on when you're there, and off when you're not
- Power strip includes 8 outlets with surge protection, 6 outlets controlled by sensor, and 2 outlets un-controlled
- On/Off Switch
- Passive, infrared occupancy sensor detects the slightest human motion within monitored area
- Sensor can be positioned under worksurface or storage unit or on the wall up to 9 feet away from outlet
- Swivel base on sensor makes it easy to install and aim
- Sensor time delay can be adjusted from 1 to 30 minutes
- Quickly pays for itself through reduction in energy costs
- Great for people with reaching limitations
- Black 7' 8" cord
- UL® listed and CSA® certified

Style Number	Description
PPS6SP	8-outlet with surge protection
