- ACP\*\* Cableway and Privacy Screen
- AMP\*\* Modesty and Privacy Screens
- ACMP\*\* Cableway, Modesty and Privacy Screens

\*\* Include screen width to complete style number

- Size: Weight Range:
  - Privacy Screen: W as ordered x H22 x D¼ 7.55 to 11.75 lbs.
  - Modesty Screen: W as ordered x H14 x D¼ 6.25 to 10.25 lbs.
  - Screen Width: 22", 28", 34", 40", 46", 52", 58" or 64"
- Color: Frost
- Construction:
  - Screen: Light-weight, durable translucent acrylic material. Matte, non-glare finish.
  - Universal Clamp: Die cast aluminum with powder coat paint.
- Application: Mounts to a worksurface or tabletop
- Warranty: 10 years
- Positions top of Privacy Screen 19" above worksurface, this is a fixed height
- Positions top of Modesty Screen ¼" above worksurface and provides 12½" of modesty below worksurface (dependent on worksurface thickness)
- Recommend that Screens are 6" to 8" less than the worksurface width
- Screens can be used in combination with Cableways (order appropriate assembly)
- Gap between worksurface and Screens is 1" to allow for cable feed through
- Clamps are inset 4" from both sides of the Screen. When mounting Screens in combination with SlatRail Stanchions the SlatRail width that is 4" shorter than the Screen will **not** work due to the clamp locations
- Screens ship with Universal Clamps; three clamps ship with 58" and 64" Screens for additional support
- Universal Clamps clamp on worksurfaces 1" to 2" thick
- Universal Clamps use a 2" footprint above and below the worksurface
- Rubber feet under Universal Clamps ensure a tight fit without marring worksurface
