

SOTO™ Rail

Customer Needs:

Any length Rail supports many SOTO shelf and worktool combinations with clean lines and a quiet aesthetic while keeping items up off the worksurface.

Product Features

Style Numbers:

Style Numbers for use with Tour Furniture System from Turnstone only:

DSRT52	52" wide rail
DSRT58	58" wide rail
DSRT64	64" wide rail

- Color: Platinum
- Construction:
 - Rail: extruded aluminum
 - Clamps: die cast aluminum
- Application: Clamps to freestanding worksurfaces or materials up to 2" thick. Not applicable for glass surfaces
- Maximum Weight Load: 2 lbs per lineal inch (multiple rail length x2 for max load)
- Warranty: 10 years
- 1" clearance between worksurface and rail for cable management
- Flush with top of worksurface
- Allow for 2" installed behind worksurface for rail mount. Allow for 3-3/4" to install rail.
- Clamp mounting brackets included
- Each clamp requires a 2" footprint above the worksurface
- Each clamp requires a 3-1/4" clearance under the worksurface
- Rubber feet under clamps ensure a tight fit without marring the worksurface
- Worksurface must be able to support 2.1 lbs/inch of width for stability
- Each rail is 3-1/2" high and 1" deep.
