

SlatRail

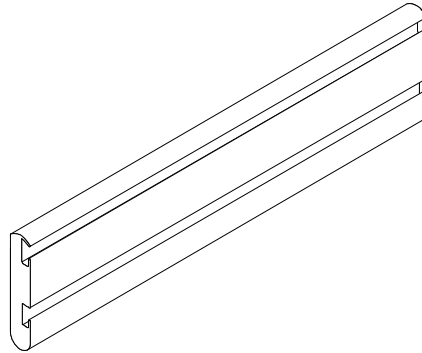

Customer Needs:

SlatRail is a support structure for Details Organizational Worktools used to organize objects and files utilizing vertical space. SlatRail allows the user to move items off their worksurface to maximize space. Worktools can be customized to the individual user's requirements and are simple to rearrange.

Product Features

Style Numbers:

- WSR24 – W24" x H4"
- WSR30 – W30" x H4"
- WSR36 – W36" x H4"
- WSR42 – W42" x H4"
- WSR48 – W48" x H4"
- WSR60 – W60" x H4"

- Colors: Black, Champagne or Platinum.
- Construction: Extruded aluminum with metal end caps
- Application: Panel-mounted or stanchion-mounted (freestanding). May also be wall mounted to studs for open plan or home offices.
- Maximum Weight Load: 100 lbs.
- Warranty: 10 years.
- SlatRail is not dedicated to the exact panel width. 12" overhang is acceptable.
- Total dimensions of Worktools specified should not exceed SlatRail dimensions.
- Panel-mount version includes anti-dislodgement feature for safety.
- Can be placed at convenient height above the worksurface.
- SlatRail features two channels. Upper channel is used for most applications. Upper and lower channel are used for two-hook mounting.
- The following products are better suited for Slatwall and should not be specified for mounting on SlatRail:
 - Markerboards
 - Universal Shelves
 - Jules Keyboard Platform for Slatwall-Mounting
