

Stella Mechanism

Using this product correctly: Height adjustment range is 8.5".
The mechanism can tilt 15° in the positive and negative direction but ships with the positive tilt locked out.

Important safety tip: Do not sit or lean on this product. It is not designed to support your weight.

To adjust height: Simply tilt the platform back, adjust height to the desired position and release.

To adjust tilt: Pull the slide toward you, tilt the platform to the desired angle and release the slide. No knobs or cumbersome dials.
